Save Data

Select the publisher/supplier from the drop-down menu - and click 'Search' button. All the orders placed with that publisher/supplier will appear with brief details.

Select the titles from the pop-up box for which invoice has been raised by the supplier/Publisher and 'Save'.

Fill-up **Invoice No.** and check whether all the other details are correct. On some titles we get discount (fixed percentage %) on published subscription rate. Fill-up the % rate in the discount column against each serial title. Click on 'Calculate Misc.Charges'. This will automatically calculate net price of the subscription. It will also appear in the 'Net Amount in INR' box on right side of the window.

You may also input other miscellaneous charges which are added to Subscription Cost.
