

Institutional Distinctiveness

Vision of the Institution is to mould and empower students in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The Institution as never faltered in Inspiring the students in the pursuit of knowledge, values, and social responsibility. The Institute has established its distinctive approach towards this comprehensive Vision by modeling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their skills, multidisciplinary project development, Entrepreneurship development, Ethical and Human value development.

- (a) **Skill Development:** The Institution arranges skill enhancement programs to develop their skills for example – Personality enrichment, Employability skill development, Entrepreneurial development, Language skill development etc.,
- (b) **Projects:** Students at the UG and PG degree courses take up Internships in industries and pursue their projects which gives them hands on training in their field of interest.
- (c) **Entrepreneurial Development:** ED Cell crucially works on generating the excitement in the young brains to produce innovation and thus laying the stones for entrepreneurship. Budding entrepreneurs are motivated for start ups and thus are self-sufficient and independent financially and can either support their education or family.
- (d) **Ethical and Human value Development:** Ethical values is the foremost interest of the institution, Students are motivated to visit orphanages, old age homes, Cancer institutes and serve the local adopted school or village through NSS. Students have never been insensitive to the social crisis during the natural devastations. To mention and bring on record our students have contributed recently to the kerala floods with basic required materials and financially which can be estimated to around Rs /-, During the Delta Floods our students reached out to the unreached area in the delta belt with relief materials and identified one farmer family in a particular village who were in a dreadful need of livelihood and sustenance. Our students collected funds from public and handed over /. They were able to be restored to recreate their lives in a renewed mode.

The Vision of the Institute focuses on four aspects essentially: Global Standards, Value-based Education, Interdisciplinary Research, and Sustainable Development.

The positive outcomes are achieved by designing the curriculum to meet the global requirements and through teaching-learning methods blended with ethical values.

The structured induction of the student into the curriculum enables to visualize the career opportunities and the approach towards achieving them.

The institute provides a platform to business Start-ups to develop their ideas into commercially viable products. facilitates the students to work on innovative project ideas.

Institutional Distinctiveness

I. Value based Learning

Values are the part and parcel of the philosophy of the nation and its educational system. Values-based Education is an approach to teach universal values like moral values, patience, honesty, etc, to the students. It creates a strong learning environment that enhances academic attainment, and develops students' social and relationship skills that last throughout their lives. The purpose of value education is the development of the personality of the student.

Goal

Value-based education aims at training the students to face the outer world with the right attitude. It is essential to develop an individual and help her lifelong in many ways. It is a process of overall personality development of a student which includes Character development, Personality development, Citizenship development and Spiritual development.

Practice

- Through Value based education, we can develop the students into people with strong character and values who know how to utilize their knowledge for the advantage of mankind. Our institution gives special importance for Value Education which consist the study of the lives and teachings of Holy Mother Sri Sarada Devi, Sri Ramakrishna Paramahansa, Swami Vivekananda and Sister Niveditha. Discourses by revered Swamijis, Ambajis and learned thinkers to promote the "Habit of Positive Way of Thinking" by inculcating beliefs and moral values in the subconscious minds of the faculty. Apart from the value education classes our college strives to imbibethe students with the highest set of morals and values through discourses on Ramayana and Mahabharata once in a year. Spiritual discourses are

arranged on the occasions of Lighting Ceremony and Graduation day. Civic Responsibilities are taught to embed the moral and ethical values in the hearts of girl children, who are the mothers of the younger generation of future.

Evidence of Success

- Students can realise the values of epics and literature of our country. This helps them to develop their patriotism and overall personality.
- During the Alumnae meet share their experience and how the values and training which is gained from college help them in their complicated situations.
